BAD WRECK ON L. & N.

Three freight trains on the L. & N. R. R. ran together at Lyndon Station, on Thursday evening, and all three were wrecked. A number of the train crews were badly hurt, one supposed to be fatally. One of the trains was a C. & O. double header. The property loss was very heavy.

All trains yesterday were delayed for six or seven hours.

SOMETHING NEW.

Keep the bowels open when you have a cold and use a good remedy to allay the inflammation of the mucous membranes. The best is Kennedy's Laxative Honey and Tar. It contains no opiates, moves the bowels, drives out the cold. It is not now necessary to take a purgative followed by something to relieve inflammation and stop the tickling and coughing. These qualities are now combined for the first time in Kennedy's Laxative Honey and Tar. Sold by J. W. Gayle.

ARTS AND CRAFTS LECTURE.

Mrs. Frackleton, of Chicago, who lectures on Arts and Crafts, will give one of her delightful talks next Friday evening at the Episcopal Chapel. The special subject of her lecture will be pottery, and by the use of the wheel, and by casting in molds she illustrates in a most interesting way the various methods of making beautiful ceramics.

The Woman's Club is most fortunate in securing a lecture from Mrs. Frackleton, and they hope a large number of Frankfort people will come to hear her.

Twenty-five cents will be the price of admission.
